

A place to call home!

Paws'itive Teams volunteers, graduates, and trainers feel like an extended family. And now this family has a home! This has been a dream of PT founders, Carol Davis and Charli King, since PT was first started over ten years ago.

We moved into our new Training Center in May of 2008 and are continuing to make improvements so that it can serve our many needs.

Before we moved in!

Two months later ...
a work in progress.

We have hung our shingle!
